

APPLICATION FORM 2012
SOCI 4006 AND SOCI 4007
INDEPENDENT STUDIES

Students entering the fourth year of the Honours Sociology program, and who are interested in undertaking special studies in the field of sociology beyond or outside of the program's regular course offerings, may enroll in SOCI 4006 and/or SOCI 4007. These independent studies courses require the supervision of a faculty member of the Sociology Department; written work and periodic discussions are required.

SOCI 4006 and SOCI 4007 are restricted to students in the fourth year of the Honours Sociology Program, the completion of 36 credits in Sociology, and the approval of the Department prior to registration. If you are interested in taking an Independent Studies course, please complete this form and return it to a Sociology faculty member prior to March 1, 2012.
