

Mentorship Activity

List 3 things you would like to achieve through the Mentorship program.

-
-
-

Make a list of questions that you have for your Novice. For example, *“Do you have any concerns about beginning your Practicum placement?”*

List 3 things that concern you the most about meeting your Novice.

-
-
-

Mentorship is a relationship in which both the Mentor and Novice will help one another. List your areas of strength.

What are your teaching goals?

Is there anything else you would like your Novice to know about you? Perhaps you would like to share some of your hobbies and interests, or past Practicum experiences.
