

Geography

Bachelor of Arts (Honours) – Single Major

In the Honours program, the overall objective is to provide a balanced undergraduate program of instruction in the areas of analytical techniques, systematics and regional studies. Its more specific aims are to provide students with a sound base for applied studies in the fields of regional resource development planning, urban planning and an introduction to certain area studies.

Graduation Requirements

In addition to the program requirements listed below, students must also satisfy the Bachelor of Arts (Honours) degree requirements, including regulations on first year and subject maximum and breadth requirements. Please refer to the Degree Requirement section of the Calendar for further information.
