

PROGRAM PLAN

Students are encouraged to register in their fall semester courses prior to New Student Orientation. To do so, please review the following table in order to ensure you register in the courses required for your plan of study (i.e. students who graduated with an accounting diploma should register based on the accounting column within the table). Students studying at the Sheridan Davis campus should select course sections ending in FA824, while those studying at the Sheridan Trafalgar campus should select course sections ending in FA827.
