

## GENERAL PRACTICE TEACHING INFORMATION

### FOR THE ASSOCIATE TEACHER

#### A. SUBJECT MATTER FOR STUDENT'S LESSONS

##### **Primary/Junior**

Faculty of Education students who are in the primary/junior division study subject areas according to the following schedule:

Language Arts and Math are studied throughout the year. Science, Music, Visual Art, Social Studies and Physical Education and Health are studied either semester one or two.

##### **Junior/Intermediate**

Faculty of Education students who are in the junior/intermediate division study subject areas according to the following schedule:

Language Arts is studied throughout the year. Math, Science, Music, Visual Art, Social Studies and Physical Education and Health are studied either semester one or two.

##### **Intermediate/Senior**

Faculty of Education students who are in the intermediate/senior division take two electives all year and have exposure to teaching methodology in several subjects other than their teaching subjects.

#### B. STUDENT TEACHER'S SCHEDULE

Please refer to the Practice Teaching Calendar included in this package.

#### C. EVALUATION

Associate teachers are requested to notify the Practice Teaching Office by Friday of any week in which the overall rating is "Does Not Meet Expectations" or if a student is experiencing difficulty during the placement.

Thank you very much for supporting our Teacher Education Program. Please contact the Practice Teaching Office if you have any questions or comments.

**Please Note:** Student teachers may not be left on their own during the absence of the associate teacher. They may not assume unsupervised responsibility, nor may they act as supply teachers.
