BUSINESS ARISING FROM THE MINUTES

The Senate Speaker requested follow-up to a concern raised at the February 9, 2018 Senate meeting regarding a plan to re-assign some of the duties of the Senate Secretary. The Provost advised that some of the duties would be moved to the Office Manager once the Animal Care and Research Ethics duties are moved to the Research Office. In response to a request for information as to why faculty postings at NU are now advertised as tenure-track positions with the rank included, the Provost advised that this is common practice. The HR Dept. looked at 51 current open positions in Ontario and the rank was included in all the ads. In response to a request made regarding the status of the Chancellor’s Award for Excellence in Service, the Provost advised that the award would be discussed with the Deans at the next Provost’s Council meeting and will be forwarded on for approval to the Board of Governors. In response to a request for an update on the possibility of 200 international students attending NU this summer, the Dean of Arts & Science advised that in July and August the three-week camps are designed for international students ages 16-22 looking to advance their English language skills while experiencing an overseas summer vacation. Camps will be led by English language speakers and trained instructional staff. On-campus activities during the week are followed by weekend excursions and trips to Niagara Falls, Toronto, Algonquin Park and Quebec.

QUESTION PERIOD

In response to a question regarding the roof leaks, the President advised that there are significant roof repairs and upgrades underway. A variety of grants have been received to cover the cost, and repairs should be completed by mid-summer. In response to a request for information on the subject of the ethical nature of testing on students in regards to the testosterone experiments taking place on campus, the Provost advised that she was unable to speak to this study as the Research Ethics Board reports to the Board of Governors. She was able to confirm that the study had gone through the Research Ethics Board. She advised that Ethics is not a topic for discussion at Senate and requested that the question be submitted to the Research Ethics Board. A question was received regarding offers of acceptance and when students might expect to receive responses. The Registrar advised that offers are sent out when a decision is made and are processed as soon as possible. It has been communicated to the students that if they have not received an offer they should check to ensure that the Registrar’s Office is not waiting on documentation. Offers were sent out weeks ahead of last year. In response to a question as to why NU does not send out conditional offers of acceptance, the Registrar advised that it has not been the practice of NU and it is not an overall practice across the board.

AMENDMENT OF BY-LAWS

- Notice of Motion - Article 9.2 (c) Terms of Reference

In order to incorporate the Quality Assurance process into the terms of reference of the Academic Quality Assurance and Planning Committee (AQAPC), the following revisions, which were reviewed and approved by AQAPC were suggested:

9.2 Academic Quality Assurance and Planning Committee (AQAPC)  
(c) Terms of Reference:
(i) to engage in an on-going process of long-range academic planning in accordance with the overall academic objectives of the University, and to make recommendations to Senate as necessary and appropriate;  
(ii) as a part of (i) to review and update on an annual basis for Senate approval, the Nipissing University Strategic Academic Plan, which includes the setting of priorities related to the introduction of new programs or adjustments to current offerings and associated recommendations for appropriate resources;  
(iii) to consider for approval and recommendation to Senate, Stage 1 concept approval and Stage 2 Business and implementation plan approval of all proposed new undergraduate and graduate programs in accordance with the Nipissing University Quality Approval Policy and Process (IQAP) as approved by Senate and required in the provincial Quality Assurance Process Guidelines;  
AQAPC is responsible for review of new academic programs and has the authority to recommend new programs for Senate approval;  
(iv) AQAPC is responsible for reviewing and providing Senate the substantive outcomes of cyclical review of existing academic programs;  
(v) to periodically review (every 3 years) the Nipissing University Quality Assurance Policy and Process;  
AQAPC is responsible for reporting to Senate the recommendations resulting from program reviews;  
(vi) to direct to Senate or its relevant committees/subcommittees, as necessary, any issues which arise from the Committee’s planning discussions regarding physical facilities or other aspects of the educational environment;  
(vii) for each scheduled program review as required under the IQAP guidelines advise and assist the PVPAR in overseeing and ensuring the satisfactory completion of Steps 1-7; and to deal with such other matters as may be assigned from time to time by Senate.
A discussion took place regarding the composition of Senate committee and subcommittees. The Provost advised that she and the Deans agree that the Deans are on far too many committees. Now that the Provost meets with the Deans weekly at the Provost’s Council there is much more communication. The Provost would also like to see the Registrar and the Executive Director of Library Services become voting members on Senate committees and subcommittees. Suggested changes to the composition of Senate Committees, specifically the changes that relate to ex-officio members of the committees/subcommittees will reduce the number of committees in which Deans participate, challenge the non-voting status of ex-officio participants and bring consistency to how the membership lists are presented. The impact of these changes will likely be smaller committees as fewer Deans will mean that fewer faculty members are needed to satisfy the 2:1 ratio between faculty and administration. This will hopefully lead to more efficient committee meetings with quorum, as well as a more collegial atmosphere recognizing that colleagues such as the Registrar and Executive Director of Library Services have important experience and expertise that should come to bear on decisions made.

REPORTS FROM OTHER BODIES

The President expressed his appreciation for the support the athletic teams have received. The attendance and support from the NU community means a great deal to the teams and the students. He advised of an interesting presentation he had attended at COU on sources of innovation and the value of an education. He also informed that the province has taken over the Executive Compensation process and has developed a set of policies and guidelines. Once the program is completed and approved it will be posted with 30 days of opportunity for comment. He was pleased to announce that NU will again be hosting the 2018 FIRST Robotics North Bay Qualifying Event on March 29–31. He congratulated the organizers of International Women’s Week and the excellent presentation by keynote speaker Senator Kim Pate. He advised of the upcoming Open House and thanked all of the faculty and staff for volunteering their time. 267 students and over 35 parents and supporters are expected to attend. He reminded that NU does a really good job at converting students that visit to attend NU. He also reminded that the 11th Annual Undergraduate Research Conference will be held March 23 & 24. The President thanked outgoing NUSU President, Sydney Lamorea, for all of her contributions.

The Provost and Vice-President Academic and Research provided an electronic report that will be included as an attachment.

The Vice-President Finance and Administration advised that with 2017-18 coming to a close a smaller deficit than originally expected is anticipated. Clearer projections will be received over the next few weeks. The 2018-19 budget process is currently underway with plans for a preliminary budget to be completed by mid-April. Budget sheets have been entered into the system and revenues will be determined. Some enrollments are down this year. Congratulations to the Registrar’s Office with conversions at 55%. The University is consistently pursuing opportunities to secure grants and additional funding through MAESD, and recently we have been successful in obtaining over $4M in special purpose grants over the next three years. David Drenth worked very hard on the Greenhouse Grant Retrofit submission with $900,000 being received.

On behalf of the Board of Governors, Senator Zimbalatti advised of the recent changes to the composition of the Board of Governors including the Mayor of North Bay or a member of the City Council designated by the Mayor and the Chief of the Nipissing First Nation or a member of Nipissing First Nation designated by the Chief. As the University sits on Nipissing First Nation land this is extremely appropriate.
Interim Chair of the Alumni Advisory Board, Steve McArthur, advised that the nomination deadline for the Alumni Awards has been extended. Information on the process may be found on the Alumni website. Nominations are welcome.

NUSU President, Sydney Lamorea, provided an update advising of the successful Cold Creek County concert, and many upcoming events including: Wellness Week, Mirrorless Monday, Waffle Day, Green Initiatives trip, Students on Stage presents Alice in Wonderland and the Drag Show at the White Water Gallery. She advised that elections for the NUSU Board of Directors are ongoing and introduced Daniel Goulard, NUSU President, Nicolai MacKenzie, Vice-President Services, Keenen Kearney, A&S Student Senator and Hannah Mackie, APS Student Senator. Senator Lamorea expressed her appreciation for a very rewarding year and offered her best wishes for the success of the new Student Centre.

Following the February 23, 2018 meeting, the draft Academic Plan template was forwarded to AQAPC members. The Provost requested that the template be shared and discussed with colleagues and written feedback provided. Feedback/comments are still being accepted and can be e-mailed to vpa@nipissingu.ca

The Provost will be working with the Associate Registrar, Curriculum & Advising to develop the new course template. New program proposals will be effected by the IQAP process. The BSc Honours Program in Data Science is already at Stage 2 and will follow the current process.

The Stage 2, BSc Honours Program in Data Science was discussed. The Reviewer’s Report, New Program Proposal, Dean’s Response and the Response to the External Reviewer’s Report from the Department of Computer Science and Mathematics were reviewed. The program is unique and will be the first program of its kind in Canada. A suggestion was made to incorporate BA/BSc and Big Data in the course title. Other suggestions included removing the breadth requirements and consideration of a post diploma certificate to attract international students. The Dean of Arts & Science thanked the AQAPC members for their comments and feedback. The proposal will come back for approval at the next AQAPC meeting on April 27, 2018.

Respectfully submitted,

Report of the By-Laws and Elections Subcommittee

March 27, 2018

Present:  B. Hatt, N. Colborne, D. Davis, J. McIntosh, D. Tabachnick, S. Lamorea

The Agenda of the March 27, 2018 By-Laws and Elections Subcommittee meeting was approved.

Moved by N. Colborne, seconded by D. Davis that the Report of the February 22, 2018 By-Laws and Elections Subcommittee meeting be accepted.

CARRIED

Under Business Arising from the Report, it was noted that the Joint Standing Committee of the Board and Senate on Governance changes to the Membership and Terms of Reference were inadvertently left off the February 22, 2018 Report and therefore not included in the March 9, 2018 Senate Agenda. The changes to the Membership and Terms of Reference will be included as a Notice of Motion in the April 9, 2018 Senate Agenda.

Proposed revisions to the membership of the Joint Standing Committee of the Board and Senate on Governance:

(a) Ex Officio Members:
   (i) the President of the Nipissing University Student Union (NUSU) or Designate

(b) Members Elected by Senate:
   (i) three (3) Senators or non-Senators Elected by Senate, with at least one being a Senator

(c) Members Elected by Board:
   (i) three (3) non-constituent members of the Board of Governors Elected by the Board

(d) Terms of Reference:
   (i) to periodically review on an at least an annual basis the governance structures and practices of the University to foster bicameral communication and collegiality and to recommend amendments to by-laws, practices or policies as may be advisable;
   (ii) to establish and oversee a procedure for providing a joint orientation to new members of the Senate and Board as a means of promoting the effective governance of the university;
   (iii) to establish and oversee a statement on the importance of collegial governance at Nipissing;
   (iv) to address issues that may arise concerning a lack of civility and decorum in the conduct of the interaction of the Senate or Board and which cannot be satisfactorily addressed under the existing policies and bylaws of each, and to recommend amendments to by-laws, practices or policies as may be advisable; and
   (v) to oversee the implementation of the recommendations of the Special Governance Commission Report of October 27, 2016.

 Article 9.2 (c) Academic Quality Assurance and Planning Committee (AQAPC) changes to the Terms of Reference were included as a Notice of Motion in the March 9 Senate Agenda. The changes will be included as a Motion in the April 13, 2018 Senate Agenda. The Senate Speaker will put forward a
friendly amendment to remove “their” from Articles 9.1.1 (iii), 9.3 (ii), 9.3.1 (ii), 9.5 (a) (i), 10.2 (a) (ii), 10.3 (a) (v).

The following amendment of Article 9.1 Senate Executive Committee (EXEC) included as a Notice of Motion in the January 12, 2018 Senate Agenda and as a Motion in the February 9, 2018 Senate Agenda was tabled for further discussion by the By-Laws and Elections Subcommittee.

(vii) the Senate Executive may act on behalf of Senate when quorum of Senate cannot be established, or when the regularly scheduled Senate meeting is delayed, to deal with any urgent matter that is within the responsibility of Senate, with the understanding that all such actions will be reported at the next meeting of Senate;

Moved by N. Colborne, seconded by D. Tabachnick that the By-Laws and Elections Subcommittee accept the proposed revision to Article 9.1(c) (vii) to be included as a Motion in the April 13, 2018 Senate Agenda:

(vii) the Senate Executive may act on behalf of Senate when quorum of Senate cannot be established, or when the regularly scheduled Senate meeting is delayed, to deal with any urgent matter that is within the responsibility of Senate to approve graduates, with the understanding that all such actions will be reported at the next meeting of Senate;

CARRIED

The reformation of Senate Committees and Subcommittees due to the removal of two of the Deans and the addition of the Registrar and Executive Director of Library Services will ensure that there will not be a change in the administration to faculty ratio. A review of the current Senate Committees and Subcommittees will take place at a future By-Laws and Elections Subcommittee meeting.

The Chair read out the names of the new faculty Senators for 2018-19. He also read out the letter of welcome to be sent out to each new faculty and student Senator. Senator Lamorea requested that the letters sent to the new student Senators reflect their start date of May 1. It was suggested that a discussion be held at the September Senate meeting advising new and returning Senators of their Senate responsibilities.

The next meeting of the By-Laws and Elections Subcommittee will take place on April 28, 2018 at 10:30 a.m. in F307.
