The Nipissing University Cultural Affairs Committee (NUCAC) is dedicated to offering funding help to a broad range of events and activities supporting and contributing to cultural life in Nipissing University and North Bay. All requests must be made by a faculty member of Nipissing University, and clearly outline the ways in which the event or activity for which funding is requested participates in building cultural life in the area. NUCAC will provide funding for items such as food for receptions, purchase of supplies or materials, and non-profitable events, but will not provide funding for travel, accommodations, speaking fees, honoraria, or events organized for profit.
