

## Practicum Registration - School Boards used for Practicum

When completing your Practicum Registration form, please select your top three school board choices from this list. Please be aware that you may be required to provide a pastoral reference if assigned to a Catholic school board. Teacher candidates who are interested in completing a placement in a First Nation or federally administered school should contact the Practicum Office for more information (this opportunity is available to teacher candidates in years two and five).

School Board Name	School Board Website
