If you have any health and safety concerns, please follow the steps listed below:

- 1) Contact your immediate supervisor to identify the problem. Work with your supervisor to find a reasonable solution to the problem identified.
- 2) Allow for sufficient time to have the problem corrected. If the problem is still not addressed, or corrected satisfactorily, contact your health and safety representative as identified in the chart.
- 3) The Human Resources Generalist – Health, Safety & Wellness is available for assistance on any health and safety matter and can be reached at ext. 4811 or tracim@nipissingu.ca.
