Online Test Information

Prior to the test, detailed instructions will be emailed to the candidate. The online test is offered through Blackboard and is up to 120 continuous time frame minutes in length. The oral portion of the test requires candidates to have access to a phone.

An accent information sheet (posted at www.nipissingu.ca/aq then click on “Spanish Language Proficiency Test – About Test) and blank paper are the only resources allowed during the test.

**Prior to the test, please ensure you can use accents on the computer with which you will do the test.

Technical Requirements

The test can be taken on a Mac or Windows computer system that has speakers. Candidates will also need telephone access for the speaking portion of the test. It is recommended that candidates test their login credentials on the system they expect to use prior to their test date.

Candidates registered for the online test are enrolled in the “LANG-DEMO”. It is not a demo to practice your skill level. This is actually a course set up in Blackboard which allows you to determine if the system you plan to use can interact successfully with the various portions of the online proficiency test. Prior to the test, please explore this demo to ensure that you can hear the audio, interact with a quiz and insert accents. It is encouraged that you explore the demonstration in advance to reduce stress and problems prior to the testing period. You may test any portion of the demo as many times as you wish. Please forward any technology-related (login/password) questions/issues to the Technology Services Office at 1-705-474-3450 ext. 4342 or techsrv@nipissingu.ca. All other testing related questions should be directed to the In-Service Education Department between 8:30 a.m. and 4:00 p.m. at 1-705-474-3450 ext. 4217 or inservce@nipissingu.ca.

After Registration

Once you have paid for the test you will receive an email message confirming you are scheduled for the online test along with directions on how to login and when the test will become available.

Test Results

Test results will be sent to the candidate’s email address once results are provided to the Registrar’s Office. Candidates will receive a (%) mark for the oral component and a (%) mark for the written component (combination of all three sections) with the break-down mark for Listening, Reading and Writing sections. We will not provide any specific details of the test results as this may compromise the integrity of our test.

The passing mark is 70% on the oral component and 70% on the written component (combination of all three sections). Candidates who fail the test are allowed to retake the component(s) that they failed once within the year of their first attempt. Please note if a candidate fails the written component, all three sections, LISTENING, READING and WRITING must be retaken. If candidates pass the test but do not enroll in International Languages (Spanish), Part I course immediately their test results will be valid for one calendar year.
