REPORTS FROM OTHER BODIES

The President began his report by acknowledging the tragic deaths of two of our students on December 17, 2019 and January 7, 2020. He advised that the University works in concert with the family’s wishes, and provides as much information as possible to the university community. He thanked the Assistant Vice-President Students, counsellors, and all of the faculty and staff that attended the funeral services. Community initiatives discussed included Ignite North Bay, a volunteer run event where speakers have 5 minutes to inform, enlighten and inspire with the goal to recruit new citizens and encourage new businesses to North Bay. Ongoing discussions with government officials included: the student choice initiative whereby students may opt out of paying some non-tuition fees, the 10% tuition fee reduction, Mental Health initiatives, a central strategy on international students, the MOU to establish a French university in Ontario, expected upcoming nursing announcements, and the recently established scholarships in honour of the 57 Canadian victims of the Iran plane crash.

The Provost and Vice-President Academic and Research provided a written update on the Annual Academic Action Plan 2019-2020 which was sent out to Senators by email prior to the Senate meeting. The update is attached to the Minutes. The Provost advised that the draft SMA3 was submitted in December. As discussions are still ongoing in regards to the SMA3, the document is still in draft format and not yet available to the public. In response to a question regarding supports for international students, the Provost advised that all of our students are individuals with individual needs. Adding new students will require rethinking around the resources that are directed at supporting students as well as the pedagogies. In late February, Nipissing University, together with the City of North Bay and the Local Immigration Partnership, will hold an International Symposium to identify services and needs that exist for newcomers. The Provost advised that she recently met with and is looking forward to working with
the new Vice-President Academic at Canadore College, Dr. Ahmed Obaide. The committee for
the Search/Appointment/Reappointment of the Dean, Faculty of Education and Professional Studies has
been established and will be announced as per the CA following the first meeting. The Provost advised
that 15 applications have been received in response to the cluster hire in Indigenous Education. Following
a meeting with the NUFA President to outline the process, the Deans and the Chairs of departments of
which candidates have applied to, will meet to rank the candidates and then the departments will
determine if they wish to receive the applicants. The Provost was pleased to announce the upcoming
Research Showcase on January 22 celebrating seven of our researchers who received SSHRC or NSERC
funding in 2019. As well, she was pleased to announce that the launch of the new Teaching Hub will take
place on February 6.

On behalf of the Alumni Advisory Board, Erika Lougheed, Manager of Advancement, provided a Report.
The Report is attached to the Minutes.

On behalf of the Joint Board/Senate Committee on Governance, Senate representative Dr. David
Tabachnick, reported that a very positive meeting had been held on December 13, 2019. A vigorous
discussion on the hiring of senior academic Administrators was held. The meeting Minutes will be
forwarded for inclusion in the Senate Agenda once they have been approved.

NUSU Faculty of Arts and Science student representative, Natalie Muylaert, provided a Report. The
Report is attached to the Minutes.

QUESTION PERIOD

In response to a question regarding the possibility of changing the stop light at the main entrance on
College Drive to a four-way stop, the Director of Facility Services advised that further talks will be held
with the City of North Bay concerning traffic, lighting and city buses.

Non-Substantive (for information only):
- Minor modifications to the title and course description from HIST 2166 Survival: Canada in Global Environmental History to HIST 2166 Survival: People and Nature in Northern North America to the Industrial Era as outlined below:

Old Description:
While historians have traditionally ignored it, nature is a player in history, setting out the possible means of survival available to any particular time and culture. Students will consider ways in which peoples in northern North America have shaped nature in order to ensure their survival, and ways in which nature has shaped the variety of societies existing in this place since the last ice age. The global history of key human-nature interactions -- from hunting, fishing, and farming to industrialization -- and their development in the northern North American context, will be considered. Students will gain an understanding of the fundamental environmental bases of Canadian and global history.

New Title and Description:
Survival: People and Nature in Northern North America to the Industrial Era
Short Title (for WebAdvisor): Survival: People and Nature
Students consider how, since the last ice age, people in northern North America/Turtle Island have shaped nature in order to ensure their survival, and ways in which nature has shaped the variety of societies existing in this place. The course considers history of key human-nature interactions -- from hunting, fishing, and farming to industrialization -- and their development. Students gain an understanding of the fundamental environmental bases of Canada.

Psychology

Non-Substantive (for information only):
- Modification of the course description for PSYC 3216 Psychological Measurement I: Measuring Achievement as outlined below:

Old Description:
The fundamentals of test construction and use are discussed in the contexts of classical and modern test theory. Students will be introduced to the elements of test standardization, reliability, validity and item analysis. In particular, the pros and cons of using essay tests and objective tests to measure achievement will be discussed in association with test norms, test bias, testwiseness, guessing, as well as legal and ethical issues. Students undertake a project to create and then evaluate an achievement test after an item analysis has been completed. This course should be useful to students who aspire to become a teacher.

New Description:
Students explore the concept of test-wiseness to help them identify and understand unintentional cues in achievement tests that give away the answers. Students explore these test construction errors further in the procedures for developing and validating achievement tests. Students also learn the basic principles of psychological measurements that must be applied to evaluate psychological tests; analyze and interpret test score achievements; and to assess ethical issues in psychological and educational testing.

Non-Substantive (for information only):
- Modification of the course title and course description from PSYC 3217 Psychological Measurement II: Measuring Attitude, Personality, Interest, Intelligence, and Other Psychological Constructs to PSYC 3217 Psychological Measurement II: Measuring Attitude, Personality, Interest, IQ and Emotional Intelligence as outlined below:

Old Description:
Students examine a survey of theories and techniques in measuring attitude, personality, vocational interest, intelligence, emotional intelligence, and other psychological constructs using questionnaire surveys and observations. Students create a survey (questionnaire) to measure a psychological construct or an attitude and, from the data collected, determine its psychometric properties.

New Description:
The majority of existing psychological tests measure only the dark side of human behaviours. In this course, students learn that the full range of human behaviours needs to be explored so that the scores of such tests properly reflect the psychological statuses of the individuals tested. Students apply this approach to discuss and evaluate theories and techniques related to measuring attitude, personality, vocational interest, IQ, emotional intelligence (EQ/EI), and other related psychological constructs.

English Studies

Non-substantive:
- To change the course title for ENGL 3276 Native Literatures of North America, to Indigenous Literatures of North America.

Non-substantive:
- To change the course description for ENGL 3276 as follows:

Old Description:
This course offers an historical and self-reflexive exploration of Native North American literature in English (with some work in translation) and its meaning for us as Canadians, both Native and non-Native. After some grounding readings and presentations from the oral tradition of Native 'mythology,' the class will focus on works written in the last two centuries, with an emphasis on the modern and contemporary periods of the twentieth-century. Specific course content varies from year to year. Native Studies students who have not completed the prerequisite may request permission from the Department Chair to take ENGL 3276. This course may be credited towards Native Studies.

New Description:
Students engage with Indigenous literatures of North America, focusing on the modern and contemporary periods of the twentieth- and twenty-first centuries. Specific course content varies from year to year. Indigenous Studies students who have not completed the prerequisite may request permission from the Department Chair to take ENGL 3276. This course may be credited towards Indigenous Studies.

Non-substantive:
- To change of the learning outcomes for ENGL 3276 as follows:

OLD OUTCOMES
Students who successfully complete this course will demonstrate:
1. a broad knowledge of the history, major authors, and essential features of Native literature in North America.
2. an ability to analyze and question the construction of the emerging canon of Native literature.
3. an awareness of how Native literature in English fits into the larger context of English literary history.
4. an ability to construct and sustain analytical arguments, including the ability to gather, assess, and integrate appropriate secondary sources.
5. an ability to communicate logical, analytical arguments in clear, correct, and persuasive prose.

NEW OUTCOMES
Students who successfully complete this course will:
1. Demonstrate a broad knowledge of the history, major authors, and essential features of Indigenous literature in North America
2. Analyze and evaluate the construction of the emerging canon of Indigenous literature.
3. Explain how Indigenous literature in English fits into the larger context of English literary history.
4. Develop and express ideas comfortably and respectfully in class discussion as well as small-group interaction.
5. Apply critical and theoretical methodologies to close readings of diverse texts.
6. Construct and sustain analytical arguments, including the ability to gather, assess, and integrate appropriate secondary sources.
7. Communicate logical, analytical arguments in clear, correct, and persuasive prose.

AMENDMENT OF BY-LAWS

MOTION 80: Moved by T. Sibbald, seconded by T. Horton that Articles 6.3(a)(vii), 6.3(b), and 8.4(b)(iii) of the Senate By-Laws be amended to include reference of a Consent Agenda as outlined below:

6.3 Order of Business

(a) The order of business observed at all regular meetings of Senate shall normally be as follows:
(i) Acknowledgement of the traditional territory of the Robinson-Huron Treaty of 1850;
(ii) Approval of the Agenda;
(iii) Approval of the minutes of the previous meeting(s);
(iv) Business arising from the minutes;
(v) Reading and disposing of communications;
(vi) Written or oral reports for information only (which may include a motion to receive) from all sources, including other bodies on which Senate is represented (President, PVPAR, VPFA, Deans, Students, and Others);
(vii) Question period;
(viii) Written reports (which include substantive motions) of standing committees, Faculty or University councils, and ad hoc or other committees, with the order to be determined by the Senate Executive Committee;
(ix) Consent Agenda including motions of standing committees not set apart for discussion and debate within Senate. These motions shall be voted on by Senate as an omnibus motion;
(x) Other business (which includes substantive motions);
(xi) Motions from Question period;
(xii) Amendment of By-Laws;
(xiii) Elections;
(xiv) New business (requiring a motion to consider);
(xv) Announcements;
(xvi) Adjournment

(b) Business items submitted too late to be placed on the Senate agenda must be circulated in hard copy at the meeting for introduction under new business, and shall require the passage of a motion to consider before any further motions may be proposed.

(c) Motions from Senate Committees will appear under the heading ‘consent agenda’ unless set apart by that committee for discussion and debate within Senate. All supporting documentation will be included in the agenda circulated to Senators. At the time the agenda is approved, at the request of any Senator, a motion shall be removed from the consent agenda and placed under the appropriate standing committee to be discussed. No motion or vote is required for a motion’s removal from the consent agenda. Simple questions about any motion do not require removal from the consent agenda. All motions remaining on the consent agenda will be voted on by Senate as an omnibus motion.

(d) The primary purpose of the question period is to provide an opportunity for Senators or others in attendance to raise questions or seek clarification regarding matters which may be of collective interest or concern. Substantive questions for which an adequate response may require research or preparation should normally be submitted to the Senate Secretary in writing at least four (4) days prior to the meeting. Should this not occur, the respondent may elect to answer the question at the next regular Senate meeting.

8.4 Committee/Ad Hoc Committee Reports

(a) Written reports of Senate standing or ad hoc committee should be clear and concise. Each recommendation intended for Senate consideration should be clearly stated within the main body of the report, and accompanied by an adequate rationale.

(b) At the end of each written report submitted for Senate consideration, a list of motions shall be provided, as follows:
(i) a motion that Senate receive the report (required even if the report includes no other recommendations for Senate consideration); and
(ii) a motion for each individual recommendation within the report, carefully worded to reflect the appropriate Senate action being proposed (i.e. that Senate approve the implementation of a new program, that Senate recommend to the President, for conveyance to the Board, the addition of a new tenure-track position, etc.).

(iii) committees bringing motions to Senate may (by majority vote) designate them to be excluded from the ‘consent agenda’ and included in the Senate Agenda as part of a written report from the committee.

(c) A motion that Senate receive a written report provides an opportunity for general discussion regarding the report and its recommendations, including questions or comments concerning the committee’s procedures or the adequacy of the report’s analyses and rationales. A motion to receive should normally not be defeated; rather, it should be carried if Senate is generally satisfied with the report and prepared to consider the recommendations therein, or referred back to the committee (with specific instructions) if there are significant concerns.

(d) Carrying a motion to receive a written report in no way binds Senate to accept the individual recommendations within it.

(e) Senate may amend the individual motions presented at the end of a written report, but may in no way alter the main body (including the recommendations) of the report itself.

(f) Oral reports of Senate standing or ad hoc committees shall be permitted, provided that they are brief and for information only. Such oral reports shall not require a motion to receive.

(g) That all reports sent to Senate committees from Senate for revisions, or documents that have undergone substantive revisions by a Senate standing committee, clearly identify any changes made to the document using track changes or some other form of highlighting.

DEFEATED

MOTION 81: Moved by T. Sibbald, seconded by D. Campbell that Senate By-Laws Articles 2.6 and 5.1 be amended, and Article 5.3 be deleted to reflect revisions to the NUSU membership, voting and elections as outlined below:

2.6 Terms of Office

(a) Ex officio Senators shall serve for as long as they remain in office.

(b) For student Senators, the normal term of office shall be:
   (i) one (1) year (renewable), for the three (3) student Senators chosen by and from the NUSU Executive;
   (ii) one (1) year (renewable), for each undergraduate student Senator elected by and from the undergraduate students.

(c) For other non-faculty Senators, the term of office shall be at the discretion of the respective constituencies.

(d) For faculty Senators, the normal term of office shall be:
   (i) three (3) years (renewable) for the two (2) designated faculty Senate representatives specified in 2.4(b), with roughly one-half (1/2) to be elected in alternate years; and
   (ii) three (3) years (renewable), for the remaining faculty representatives allocated to the individual Faculties, with roughly one-third (1/3) to be elected each year.

(e) All Senate terms of office shall commence at the beginning of the Senate year (i.e. 01 July), except:
(i) the terms of the three (3) student Senators chosen by and from the NUSU Executive, which shall run from 01 May each year to 30 April the following year; and

(ii) the terms of the graduate student Senator elected by and from the graduate students, and the undergraduate student Senators elected by and from the undergraduate students, shall run from 01 May each year to 30 April of the following year.

5.1 Eligibility to Vote

(a) All undergraduate students currently registered at the time of the election shall be eligible to vote for the undergraduate student representative in their respective Faculty. Students in Concurrent Education or completing double majors in two different Faculties shall be required to declare one Faculty for purposes of the election.

(b) All graduate students currently registered at the time of the election shall be eligible to vote for the graduate student representative.

(c) In order to vote, currently-registered undergraduate and graduate students shall be required:
   (i) to vote by e-mail according to established election procedures, using their University-assigned e-mail address.

Update on the Annual Academic Action Plan 2019-2020
16th January 2020, Arja Vainio-Mattila

IA1 Re-organize Senate Policies - ongoing
The draft outline will be going to the next Senate By-Laws Committee

IA2 - Revision of Senate Policies - ongoing
Working on this at the same time as above. This one is more challenging because we're having a difficult time finding out when policies were last reviewed, some of the information in the policy document isn't a policy and some policies aren't in the document but should be. Once IA1 is finalized this initiative should move quicker.

IB1 - Create a SEM Plan - ongoing
This has been delayed as a result of SMA3, the committee is scheduled to meet again on January 29th. The committee has met twice (May & August) and we gave presentations on our current funding model, new funding model and a proposed strategic enrolment framework. At our next meeting we plan to finalize our purpose statement and identify the data required to move forward.

IC Strategy for Indigenous Education - paused
This initiative is waiting for the results of the Cluster Hire process

ID1 Internationalization Strategy - ongoing
The Committee has been formed and has started to meet.

ID3 External response to international recruitment - ongoing
We have joined the Local Immigration Partnership, and are in preparation for a partnership event with service providers in the community

IE1 Dashboards for Monitoring - ongoing
We have invested in 14 licenses for PowerBI Pro that will allow the IR office to share reports (in the form of interactive visual dashboards) amongst the active PowerBI user group.

Currently the 14 members include the Deans of EPS and A&S and their administrators, the Registrar (and some Associate Registrar's), the PVPAR, VP Finance and the AVP students and a hand full of "Directors".

Beginning in December 2019 we deployed our first dashboard that tracks our 2020 Applications. This dashboard (which contains about 8 sub-reports) was demonstrated at the January 13th Provost Council and our office will continue to tweak this dashboard to meet the needs of our end users (e.g, we will add a view regarding International enrolment ASAP).

We are currently in the process of creating additional dashboards and anticipate them being ready for sharing amongst the relevant members of the PowerBI user group in the next 3-8months

- SMA 3 Metrics Tracking
- Student Profile (i.e., dynamic dashboard that allows us to break down our student body by program and see key demographic details)
- Financial Reporting (e.g., Tuition projections vs. Actual; Department spend vs. previous years and/or YTD) -- these will be developed in direct consultation with the Director and VP of Finance
IIA1 Strategic Research Plan
- Approved 2019 – completed
- Posted as PDF on NU website – completed
- Summary submitted to CRC – ongoing
- Meeting with External Relations & Advancement to launch web version – ongoing

### IIB1 Dean of Teaching - complete

Dr. Pat Maher started in the position in October 2019.

### IIB2 Teaching Hub - ongoing

The Teaching Hub is slated to open on Feb. 6, 2020. So all aspects of the physical infrastructure have come together (renovation, AV, furniture). In addition, we have developed the virtual infrastructure (appropriate email addresses, booking system, Twitter account, website, etc.) that will launch at the same time. We have begun to plan some of the programming - both initial offerings in Feb-Apr 2020; but also ongoing events and training. The ongoing programming is highly dependent on the current budgeting process.

### IIB3 Teaching Chairs - ongoing

Dean of Teaching is exploring opportunities to connect the Teaching Chairs to programming at the Teaching Hub, and is developing the programme itself in consultation with the Chairs (comparing their deliverables to expectations, what new expectations we might set with the Teaching Hub coming online, next priority areas, etc.). The plan is to launch a call for the next two Teaching Chairs by March 2020.

### IIB4 Strategic Plan for Teaching - ongoing

Consultation has started with other institutions on best practices relating to this initiative.
**IIC Library - ongoing**

We are experiencing slight increases in the number of our instruction sessions for Nipissing and Canadore.

As a result of the transition to our new library system (Omni), a number of our online tutorials needed to be removed; we are in the process of re-doing/updating those to reflect our new system. We also offered drop in sessions for students, faculty and staff to learn about Omni.

We continue to provide instructive guidance/assistance at our Info Desk (we are seeing slight increases to our interactions at the desk) and we continue to reach out to faculty to offer and encourage library instruction sessions.

The Library is also exploring its connections to the Teaching Hub and to the First Year Foundations Programme.

**IIIA1 Tenure Track Faculty Positions**

Positions in place by July 2020
- TT hire completed in GESJ
- TT hires in progress with search committee:
  - Political Science
  - Social Work
  - Potentially 3-4 positions through Cluster Hire of Indigenous Scholars in Various Disciplines
- TT advertisement ongoing in Nursing

Positions in place by July 2021
- Discussions have started with Deans to establish priorities

**IIIA2 Sabbaticals - in process**

**IIIA3 Teaching releases: Administrative**
- Deans are identifying needs for 2020-21

**IIIA3 Teaching releases: Research**

**IIIB3 Strategic Plan for Graduate Studies**

Preliminary discussion of new Interdisciplinary Doctoral program – ongoing
- Preliminary discussions of new MSc in Nursing program and/or health stream in the MEd program - ongoing
- Environmental scan of similar institutions’ Strategic Plan for Graduate Studies - ongoing
- Initial discussion of Graduate Plan with Graduate Coordinators/Chair at GSC Retreat - September 2019
- Draft plan complete – presentation and deliberation of plan at GSC - winter 2020.
- Submitted proposal to increase GA rate to be more in line with other Ontario universities – September 12, 2019
- Submitted proposal to offer an International Graduate Student tuition subsidy – December 17, 2019
III B4 Degree Architecture
We're in the process of creating a chart listing all programs (degree, certificates, diplomas) and their current structure, this will help us identify areas of inconsistency. We hope to have this chart completed by mid-February.

III C1 Quality Assurance
The expedited institutional quality assurance audit will be carried out by Ontario Universities Quality Council in early March.

Current reviews:
English Studies

Process has been initiated for:
Child and family Studies
Gender Equality and Social Justice
History (undergraduate and graduate)
Religions and Culture
• NU Café: This mentoring and networking platform is an excellent tool for the NU community to connect and share their career-related goals and conversations. Sign up today online. Just type NU Café into the search bar on the main website and go from there. The next set of introductions will be happening February 4th.

• NUAAB returns from their Christmas break Jan 21. We are energized and excited to welcome 4 new members to the board: Laurel Muldoon, Nathan Snider, Dawn Lamothe, and Hugh McDermid. We would also like to announce that Jade Nighbor has stepped down from her role as NUAAB president after becoming Nipissing University’s Digital Marketing Manager in External Relations. On behalf of NUAAB and Nipissing University, we would like to sincerely thank Jade for her dedication and commitment to the alumni board. Jade has led the board through significant positive changes, and her values and direction have put the team on a fantastic path. Thank you, Jade! The position of board president will remain vacant until NUAAB moves forward with filling the position. In the meantime, we are pleased to announce that Mitchell Crown has agreed to sit as the NUAAB representative on the Nipissing University Board of Governors.

• Alumni love reading about what their former professors and departments are researching and up to. Please email Bridgette Perron at alumni@nipissingu.ca to have additions to our alumni e-newsletter. NUAAB will be making an exciting gift announcement at the upcoming Donor Social on February 4th, 2020. If you haven’t RSVP’d to the event, or would like more information, feel free to reach out to the Advancement office at giving@nipissingu.ca
NUSU Senate Report - January

NDP - Chris Glover
MPP Chris Glover from Spadina-Fort York and the Official Opposition Critic for Colleges and Universities will be visiting campus on January 27th. MPP Glover will be speaking with students and hearing how recent changes have impacted them.

Dave Marshall Leadership Awards
Just as a reminder the Dave Marshall Leadership Awards are due January 31st. 25 full-time students are recognized for their outstanding extracurricular contribution to their academic program, to the campus, or to the greater community.

NUSU Elections
NUSU Elections will be taking place over the next two weeks. We are looking forward to the incoming candidates, and the exciting atmosphere of political debate.

Ian Campeau
Ian Campeau will be coming to speak on February 5th. Ian Campeau is the co-founder and former member of the music group A Tribe Called Red. He uses his notoriety to draw attention to issues of racism, gender based violence, stigmas of mental health, and other forms of oppression. Ian will be speaking to Indigenous students in the afternoon and will give a public talk in the evening. Advertising will be going out early next week and we invite everyone to attend this presentation. Thank you to Dr. DeGagne for partnering on this initiative with us.

Building Update
The student centre is still on schedule and on budget. In the last month the exterior glass was installed on the South faces of study nooks and the second floor corridor, as well as the West wall of the lobby and study areas.

Spirit Week
This week NUSU has created a new event called Spirit Week. Spirit Week has been able to showcase different groups such as clubs, athletic students, alumni, staff and faculty. We have featured student artwork and research, had our mascot Louie take pictures with students, and given out prizes. Tonight’s basketball games (Women’s at 6pm and Men’s at 8pm) will be raising money for the Canadian Cancer Society. As we are playing against Laurentian University, we are excited to be welcoming 100 Laurentian University students who will be attending the games. We hope to see you all there!

Sunshine Awards
This week we also were able to give out Sunshine Awards. Students nominate Nipissing University staff and faculty who have had a positive influence in their lives. 60 faculty and staff received a cupcake and a certificate. This initiative allows us to not only showcase the great work being done but creates an environment of positivity and appreciation.
Alumni Throwback
Over the next few Thursdays we will be showcasing alumni. We have asked each person 5 questions including: “What is your best memory of Nipissing University”, “Advice for current students” and “Favourite places to go in North Bay.” The response was amazing and in contacting these former students they have spoken about looking forward to coming back up to North Bay in the Fall for the new student centre opening.

Military Women’s Hockey Game
This weekend marks the inaugural Military Appreciation Night with the Women’s Hockey Team. The game will take place on Saturday, January 18th at 7:30pm at Memorial Gardens. We encourage you all to support this initiative!
