

The basic Nipissing University plan (detailed below) includes Talk, Text & Data for \$19.05/month. Any data use at or above 6 GB will increase the total monthly charge to \$49.75. Long Distance is not a standard feature, but can be added if the use is justified, for an additional \$3.13/month. If the Long Distance Package is not added, the cost for Canada-wide long distance calling is \$0.01/minute. Invoices are monitored and you will be notified if there are any overages, including long distance fees. Any overages resulting from non-work related use can be reimbursed by paying at Finance.

Details of the Services Included in the Basic Nipissing University Plan

- Unlimited anytime local minutes
- Call waiting, conference calling & call forwarding
- Message centre (to access voicemail, press and hold down #1 on dial pad)
- Call display
- Unlimited sent & received text messages in Canada
- Unlimited sent & received picture/video messages in Canada
- \$0.01/minute long distance within Canada
- \$0.15/minute calls to the USA

*It is highly recommended that you track your data usage in order to prevent excess data fees, and use Wifi whenever possible. For your convenience, here is the link to the [Data Manager App](#).

Travel Packages

Please notify FASS at telephones@nipissingu.ca if you plan to be traveling outside of Canada. Refer to the document titled Travel Packages (link below) to view the rates for your destination to plan your usage accordingly. Note that some locations are covered under Roam Like Home (a set fee for each day of unlimited use), some under Flex Roaming (a set fee for a specific amount of service), and some as Pay Per Use (a fee for each individual text/minute/mb).

Travel Packages are available to employees for work related OR personal trips. If you are travelling for personal reasons, you will be notified of the amount owed and you can reimburse the University by paying at Finance. You will also be required to bring your receipt to FASS as proof of payment.
