

NIPISSING UNIVERSITY

Schulich School of Education

Consecutive and Concurrent Bachelor of Education

The Schulich School of Education is one of the pre-eminent education programs in Ontario. Renowned for graduating exceedingly well-prepared and professionally minded teachers, the Schulich School of Education will prepare you for teaching in traditional and non-traditional environments, and will provide you with transferable communication and collaborative skills that are essential to any career.

Nipissing University's Bachelor of Education (BEd) program was one of the first teacher education programs to be fully accredited by the Ontario College of Teachers (OCT) and is one of the most well-recognized education programs in the province.

The program provided by the Schulich School of Education is rigorous and demands a high degree of commitment. To be successful, a student must display a sensitivity to pupils, a sense of responsibility to the teaching profession, and a respect for knowledge.
