

Are you interested in a career in healthcare?

Altitude Healthcare Mentoring is here to help!

What is Altitude?

A province-wide program that works to eliminate barriers for undergraduate students applying to postgraduate healthcare programs. Everyone is welcome to apply, and we especially encourage those belonging to a traditionally under-represented population group to apply.

How does it work?

Undergraduate students are paired with a student in a professional healthcare program for 1 on 1 mentorship. The program runs from November to April.

How to apply?

Submit an application by scanning the QR code below.
The deadline is **October 1, 2021**.
