Job Posting – Registered Practical Nurse

Nipissing Serenity Hospice is currently accepting applications for the full-time position of Registered Practical Nurse.

Nipissing Serenity Hospice is a 10-bed, bilingual, residential hospice located in North Bay, Ontario serving the residents of the Nipissing and East Parry Sound Districts. The Hospice provides around the clock palliative care by an expert multi-disciplinary team in a peaceful setting for people of all ages at the end of life. Support is also extended to caregivers and families. At Nipissing Serenity Hospice we strive to ensure compassion, comfort and dignity at end of life.

POSITION SUMMARY

This role will appeal to a dynamic and experienced regulated health care professional who values hospice palliative care and who is eager to support a growing organization and an energetic team. Reporting to the Manager of Clinical Care, the RPN will be responsible, in collaboration with the interdisciplinary team, for providing professional, evidence-based client-centred care for individuals staying at the Hospice. The RPN will be holistic and ethical in interactions with residents, families and colleagues, and make sound judgements based on experience, knowledge and scope of practice.

POSITION REQUIREMENTS

- Registered Practical Nurse in good standing with the College of Nurses of Ontario.
- RPN diploma with demonstrated commitment to continuous learning.
- Demonstrates and maintains competence and standards of care in relation to knowledge (both a broad base knowledge and a depth of knowledge in palliative care), critical thinking and technical skills and strive to improve the quality of his/her dimension of practice as per the CNO reflective practice.
- Is caring and ethical in interactions with residents, families and colleagues. Supports an inclusive environment that is culturally sensitive and assuring that privacy, confidentiality and dignity are maintained.
- Preference may be given to candidates who have completed: LEAP, Fundamentals of Palliative Care or equivalent educational courses in another jurisdiction.
- At least 2 years demonstrated experience working with hospice palliative care.
- Evidence of a demonstrated client centred approach to care and ability to work with families.
- Self-motivated, results orientated, personable and charismatic, well organized, diplomatic, strong verbal and written communication skills and the ability to multi-task.
- Participates in mandatory education/training in-services for skill development, self-care, team work and updates on new and/or relevant information on best practices.
- Demonstrated computer skills.
- Ability to work with internal and external team members.
- Ability to work a variety of 12 hour shifts including nights. Flexibility around scheduling changes; ability to pick up shifts on short notice.
- Physical and emotional ability and stamina to provide personal and clinical care to residents.
