OFFICIAL TRANSCRIPTS

i. We require official transcripts from EVERY institution attended to make admission decisions, whether they are considered relevant, you graduated from the program,
your courses are still in progress, or you were successful or not. This includes Official transcripts from your last High School attended and non-Canadian institutions. It is the applicant’s responsibility to contact the institutions directly. The transcripts can be mailed, faxed, or emailed directly from the institution to Nipissing University and will only be accepted when we can verify that they come directly to us from the issuing institutions. The transcripts may not come directly by the applicant. A report card does not constitute of a transcript. Photocopies of transcripts are not considered official. All official transcripts must be received before admission decisions will be made. 

ii. International college and university transcripts must be assessed first (course-by-course analysis) by the World Education Service – www.wes.org/ca.

iii. A proof of name change is only required if academic documents show a name other than the name listed on the application is made (ie: Marriage certificate or license, legal Name Change certificate, divorce decree, etc.). A copy or picture of the document can be emailed, faxed, or mailed by the applicant with the application.

iv. If the documents you are submitting are not in English, you will be required to provide notarized English translations together with copies of the original transcripts.

v. Nipissing University transcripts need not be submitted, however, if you attended Nipissing University prior to 1992 you are considered a Laurentian University student and you must submit that transcript.
