

## **Biology Graduate Programs**

### **Master of Arts**

Bioethics – [McGill University](#)

### **Master of Bioinformatics**

Master of Bioinformatics – [University of Guelph](#)

### **Master of Health Science**

Bioethics - [University of Toronto](#)

### **Master of Laws**

Bioethics Law – [McGill University](#)

### **Master of Mathematics**

Mathematical Medicine and Biology - [University of Waterloo](#)

### **Master of Science**

Anatomy and Cell Biology – [McGill University](#)

Anatomy and Cell Biology - [University of British Columbia](#)

Anatomy and Cell Biology - [University of Saskatchewan](#)

Anatomy and Cell Biology – [University of Western Ontario](#)

Anatomy and Neurobiology – [Dalhousie University](#)

---

Biochemistry and Molecular Biology – [Dalhousie University](#)

---

Biochemistry, Microbiology and Immunology - [University of Saskatchewan](#)

---

Bioinformatics – [Simon Fraser University](#)

Bioinformatics - [University of Alberta](#)

Bioinformatics - [University of British Columbia](#)

Bioinformatics - [University of Ottawa](#)

---

Biological Sciences – [Simon Fraser University](#)

---

Biology – [Acadia University](#)

Biology – [Brock University](#)

Biology – [Carleton University](#)

Biology – [Concordia University](#)

Biology – [Dalhousie University](#)

Biology – [Lakehead University](#)

Biology – [Laurentian University of Sudbury](#)

Biology – [McGill University](#)

Biology – [McMaster University](#)

Biology – [Memorial University of Newfoundland](#)

Biology – [Mount Allison University](#)

Biology – [Queen's University](#)

Biology – [St. Francis Xavier University](#)

Biology - [University of British Columbia, Okanagan](#)

Biology - [University of Manitoba](#)

Biology - [University of New Brunswick](#)

Biology - [University of Northern British Columbia](#)

Biology - [University of Regina](#)

Biology - [University of Saskatchewan](#)

Biology - [University of Victoria](#)

Biology - [University of Waterloo](#)

Biology - [University of Western Ontario](#)

---

Biology and the Environment – [McGill University](#)

---

Cancer Cell and Vascular Cell Biology - [University of Prince Edward Island](#)

---

Cell and Developmental Biology - [University of British Columbia](#)

---

Cell and Molecular Biology - [University of Alberta](#)

Cell and Molecular Biology – [University of Ottawa](#)

---

Cell and Systems Biology - [University of Toronto, Scarborough](#)

---

Cell Biology – [Queen's University](#)

Cell Biology - [University of Toronto](#)

Cell Biology and Anatomy - [University of Calgary](#)

Cell, Molecular and Developmental Biology – [University of Windsor](#)

---

Chemical Biology – [McGill University](#)

Chemical Biology – [McMaster University](#)

Chemical Biology - [University of Alberta](#)

---

Comparative Pathobiology - [University of Calgary](#)

---

Computational Biology and Bioinformatics – [Dalhousie University](#)

---

Conservation Biology – [University of Alberta](#)

---

Developmental Biology - [University of Toronto](#)

---

Ecology and Evolutionary Biology - [University of Calgary](#)

Ecology and Evolutionary Biology - [University of Toronto](#)

Ecology and Evolutionary Biology - [University of Windsor](#)

---

Environmental Biology - [University of New Brunswick](#)

---

Forest Biology and Management - [University of Alberta](#)

---

Gene Regulation and Cancer Biology – [Queen's University](#)

---

Genome Biology and Bioinformatics - [University of Toronto](#)

---

Geonomics Proteomics and Bioinformatics - [University of Calgary](#)

---

Human Genetics – [McGill University](#)

---

Integrative Biology - [University of Guelph](#)

Integrative Biology - [University of Toronto](#)

Integrative Biology – [Wilfrid Laurier University](#)

---

Lab Medicine and Pathobiology - [University of Toronto](#)

---

Marine Biology – [Memorial University of Newfoundland](#)

Marine Biology – [University of New Brunswick](#)

---

Mathematical Biology - [University of Alberta](#)

Mathematical Biology and Differential Equations - [University of British Columbia](#)

---

Medical Microbiology and Immunology - [University of Alberta](#)

---

Medical Microbiology and Infectious Diseases - [University of Manitoba](#)

---

Microbiology – [McGill University](#)

Microbiology - [University of Manitoba](#)

Microbiology - [University of Victoria](#)

---

Microbiology and Biotechnology - [University of Alberta](#)

---

Microbiology and Immunology – [Dalhousie University](#)

Microbiology and Immunology – [McGill University](#)

Microbiology and Immunology – [Queen's University](#)

Microbiology and Immunology - [University of British Columbia](#)

Microbiology and Immunology - [University of Ottawa](#)

Microbiology and Immunology - [University of Western Ontario](#)

---

Microbiology and Infectious Disease - [University of Calgary](#)

---

Molecular and Cellular Biology - [University of Guelph](#)

Molecular and Cellular Biology – [York University](#)

---

Molecular Biology and Biochemistry – [Simon Fraser University](#)

---

Molecular Biology and Disease - [University of Calgary](#)

---

Molecular Biology and Genetics - [University of Alberta](#)

---

Molecular Genetics – [University of Toronto](#)

---

Neuroscience – [University of Prince Edward Island](#)

---

Ocular Biology and Pathophysiology – [University of Waterloo](#)

---

Oral Biology - [University of Alberta](#)

Oral Biology - [University of Manitoba](#)

---

Paleobiology - [University of Saskatchewan](#)

---

Pathobiology – [University of Guelph](#)

---

Physiology, Cell and Developmental Biology - [University of Alberta](#)

---

Plant Agriculture - [University of Guelph](#)

---

Plant Biology - [University of Calgary](#)

---

Toxicology – [University of Guelph](#)

---

Veterinary Microbiology – [University of Saskatchewan](#)

---

Wildlife Biology – [McGill University](#)
