Consecutive Bachelor of Education Students

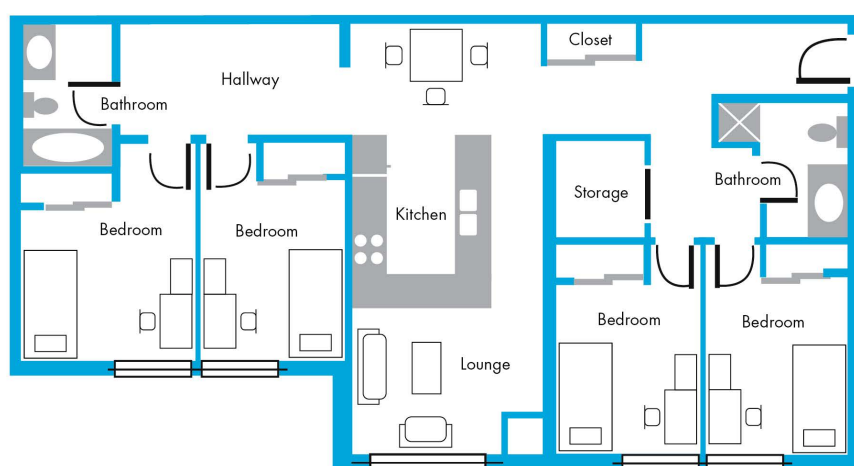

As a student in a professional program we realize that you will have different academic and social needs than our first year students, which is why you will have the opportunity to apply to live in a dedicated community with your peers. Our dedicated community will provide you with the opportunity to build relationships with other student enrolled in the Schulich School of Education. As well as enjoying the convenience of being close to campus, there is the benefit of cable TV, internet, laundry facilities, security and maintenance for one price.

Residence Complexes

North Bay Campus has three suite styled residences – Founders House, Chancellors House and Governors House. Founders and Chancellors Houses are located at the bottom of the College Drive hill and are close to coffee shops, grocery, drug and convenience stores. It's a short walk or a three-minute bus ride from these residences to your classes. Governors House is located across from the athletics facilities, at the top of the hill.

Furnished suites accommodate four students. Each student has their own private bedroom and access to a shared kitchen with fridge and stove, a living room and two full bathrooms.
