STUDENT DEVELOPMENT AND SERVICES

Student Learning and Transitions – Consent to Participate in Services

I understand that the Student Learning and Transitions department works closely together and in partnership with the reception area in Student Development and Services, Athletics staff, the Office of the Registrar, as well as Institutional Planning and Research. I understand that these individuals will have access to, and provide, my information on a “need-to-know” basis.

I understand the limits to confidentiality required by law and those indicated by the member of the Student Learning and Transitions team.

- There is a risk that you or someone else may be harmed
- A child is being abused, neglected or is a witness of abuse
- If there is a court order to release information
- Worrisome behaviours or history relevant to risk assessment
- Maltreatment of students by a helping professional

I understand that my confidential information is stored within the Student Development and Services Office at Nipissing University, 100 College Drive in North Bay, Ontario.

I understand my appointment will be one-on-one via my Nipissing Microsoft Teams account. A professional staff will initiate the call at my scheduled appointment time. The chat function in Microsoft Teams will not be utilized to connect with staff after my appointment.

I will do my best to attend scheduled appointments on time. If I cannot attend an appointment, I will contact the Secretary, Student Learning and Transitions prior to the appointment to cancel or reschedule.
