Dual Degrees

Bachelor of Commerce Dual Degree
If you would like to combine Business with an Arts or Science program, Nipissing offers you the opportunity to study both and complete a Bachelor of Arts or Bachelor of Science degree with a Bachelor of Commerce degree in as little as five years. This dual degree allows you to study a wider range of general interest and career specific subjects. For admissions requirements, please see page 12. For more information on getting a dual degree, please contact the International Recruitment Office at internationaladmiss@nipissingu.ca or call (705) 474-3450 ext. 4433.

Concurrent Education
Nipissing offers a 6-year concurrent program that leads to you earning both an honours undergraduate degree in your discipline of choice (except Nursing and Social Work), and a Bachelor of Education degree. For further details visit nipissingu.ca/education

Second Degree Applicants
Students possessing an undergraduate degree may proceed to a second undergraduate degree program in another area of study. Students may be admitted to a second degree program if they hold a recognized university degree from an accredited university.

A second degree in Nursing may require the repeating of core credits taken in the first degree, if they are more than 10 years old.

The Schulich School of Education at Nipissing University is a recognized leader in the field of teacher education. Renowned for graduating exceedingly well-prepared and professionally-minded teachers, the Schulich School will prepare you for teaching and provide you with transferable communication and collaborative skills that are essential to any career.

Other Bursaries and Awards

There are a number of other donor-established bursaries and awards for which upper year international students may qualify; to be considered, please complete the Web Bursary application that is posted on WebAdvisor (Nipissing’s online student portal) the month of October.

International Work Study Program

The International Work-Study program provides part-time, on-campus employment to upper year international students who can prove financial need. International Work-Study is not intended to provide emergency funding; rather, it is to act as a supplement to a student’s finances and to provide valuable on-campus employment which is allowed via Citizenship & Immigration Canada (CIC).

Contact the International Studies Office (internationalsupport@nipissingu.ca) for more information.

Create a financial plan

A plan helps you achieve your goals on time and on budget. This information is provided for guidance only. These are estimated based on 2022-2023 costs of living on campus for the 8-month academic term and are subject to change from year to year.

**Student Exchange Opportunity**

Applicants looking to participate in a student exchange at Nipissing University must first connect with their home institution about the application process. Partnering institutions for student exchange with Nipissing are responsible for the selection process of their eligible applicants, and a formal nomination is made by the applicant’s home institution directly to the Nipissing International Mobility Office. Once the nomination is received, the applicant will be contacted directly by the Nipissing International Mobility Office to complete all necessary documentation.

For more information about the student exchange program at Nipissing visit: nipissingu.ca/international or email us at internationalmobility@nipissingu.ca
How to Apply

Nipissing welcomes qualified applicants from outside of Canada to consider applying to degree programs at Nipissing University. Applications and all required official transcripts and applicable supplemental documentation are due by April 1 for September admission consideration.

### Required Documentation

All secondary school transcripts should be sent directly to Nipissing University from the applicant’s school and/or examination board. Documents not written in English must be accompanied by original notarized English translations from recognized sources. Applicants are required to declare and submit any and all postsecondary institutions attended or are currently attending. All postsecondary transcripts must be assessed (Credential Evaluation Report, including a Course-By-Course Analysis) by World Education Services (www.wes.org/ca).

### International College or University Transfer Applicants

Applicants who have attended or are currently attending a recognized institution will be considered for admission based on their postsecondary studies. Program prerequisites must be met through previous secondary or previous/current postsecondary studies. Further information on prerequisite courses can be found in this brochure under Admission Requirements or at www.nipissingu.ca/admissionschart. Courses completed from a recognized institution may be eligible for transfer credit consideration. Transfer credits are assessed after applicants accept their offer of admission. Students possessing an undergraduate degree may be eligible for admission consideration to a second undergraduate degree program in another area of study.

### International applicants applying Full-time

(studying in Canada on a study permit or studying in another country with no current status in Canada)
