**Rights of workers**

1. The right to know about health and safety matters.
2. The right to participate in decisions that could affect their health and safety.
3. The right to refuse work that could affect their health and safety and that of others.

**Burn awareness Tips**

- Be careful when drinking hot liquids.
- When using water faucets, turn cold water on first.
- Place hot objects so they cannot be pulled down or knocked over.
- Keep appliance cord coiled and away from counter edges.
- Remember to turn portable heaters off when leaving the office or workstation.
- Use caution when removing items from the microwave.
- Wear proper PPE when handling chemicals.
- Store harsh chemicals securely and out of the way.

**IF YOU EXPERIENCE MINOR BURN.**

- Cool: Place the burn under cool running water for 20 minutes.
- Cover: Cover the burn with a clean dressing
- Seek: Seek medical attention if the burn gets worse or is blistered
