This package is to be completed by all returning Collaborative BScN and RPN to BScN Bridging Students. If you are entering Year 3, or 4, you are required to complete this package in full by the deadlines outlined below to avoid any penalties.

### **Submission Due Dates:**

\*Forms cannot be dated before December 1, 2022

#### **Fall Returning Students – Deadline May 1, 2023**

\*Forms cannot be dated prior to March 1, 2023

### **Document Submission Guidelines:**

- KEEP ALL OF YOUR ORIGINALS! If agencies require copies of your documents, it is your responsibility to provide them.
- Documents or document images must be saved as pdf documents and uploaded to the clearance website.
- Each document must be scanned completely (both sides if applicable) and ensure the image is clear and information is legible. Some Police Vulnerable Sector Check (PVSC) documents are legal sized (8.5" x 14"), therefore you must copy the full image (both sides if applicable) and save as one complete legal sized file for submission. It is not acceptable to scan the top and bottom of documents for submission, the entire page must be included in the image.
- All documents must be submitted through the online system, paper copies, emails and/or faxes will not be accepted. If you do not have access to a scanner you may go to a local printing shop (i.e. Staples) or local library to access one. Scanning services are also available through Print Plus in room F103.
- All required documents must be uploaded prior to having the option to 'Submit' your documents online. Your package is not complete until you have submitted your clearance package online.
- You will receive a confirmation email when your clearance package has been successfully submitted.

Failure to submit the required documents by the deadline outlined will result in a registration restriction and \$75.00 late penalty to be placed on your account. Returning students will not be able to register for classes until they have been cleared for clinical and registration restriction has been removed.

Please note: Once applied, a registration restriction can take up to two business days for removal.
