If you would like to combine Business with an Arts or Science program, Nipissing offers you the opportunity to study both and complete a Bachelor of Arts or Bachelor of Science degree with a Bachelor of Commerce degree in as little as five years. This dual degree allows you to study a wider range of general interest and career specific subjects. For admissions requirements, please see page 12. For more information on getting a dual degree, please contact the International Recruitment Office at internationaladmiss@nipissingu.ca or call (705) 474-3450 ext. 4433.

Concurrent Education
Nipissing offers a 6-year concurrent program that leads to you earning both an honours undergraduate degree in your discipline of choice (except Nursing and Social Work), and a Bachelor of Education degree. For further details visit nipissingu.ca/education

Second Degree Applicants
Students possessing an undergraduate degree may proceed to a second undergraduate degree program in another area of study. Students may be admitted to a second degree program if they hold a recognized university degree from an accredited university.

A second degree in Nursing may require the repeating of core credits taken in the first degree, if they are more than 10 years old.

Post-Baccalaureate Diplomas
(2 year program)
Post-Baccalaureate Diplomas are available to international applicants who have already graduated with an undergraduate degree from a recognized university. Unless otherwise stated below applicants must meet Nipissing’s English Language Proficiency requirements. Specific details about English language policy can be found on page 17 and at nipissingu.ca/englishproficiency

Post-Baccalaureate Diploma in Artificial Intelligence and Machine Learning Applications
Designed for international students who would like to expand their knowledge in areas ranging from data analytics, “Big Data”, high performance computing and parallel computing, game artificial intelligence and other technologies, geomatics, geographic information systems, and computational tools and techniques in the humanities.

Admission consideration will be given to international applicants who have an undergraduate degree in computer science or related discipline (i.e., Data Science, Informatics) from a recognized university with an overall average of 70%.

Post-Baccalaureate Diploma in Environment and Sustainability
Designed for international students who would like to expand their knowledge of the environment and be introduced to the environmental sector in Canada.

Admission consideration will be given to international applicants with an undergraduate degree from a recognized university in science and/or engineering or equivalent with a minimum overall average of 70%.

The Schulich School of Education at Nipissing University is a recognized leader in the field of teacher education. Renowned for graduating exceedingly well-prepared and professionally-minded teachers, the Schulich School will prepare you for teaching and provide you with transferable communication and collaborative skills that are essential to any career.
Post-Baccalaureate Diploma in Health and Social Impact
Designed for international students who are interested in individual and population health and social outcomes, and gaining foundational knowledge and skills required to tackle key challenges in health and wellbeing, at the individual, family, and population levels.
Admission consideration will be given to international applicants with an undergraduate degree from a recognized university with an overall average of 70%.

Post-Baccalaureate Diplomas in Business Studies
Students will build a foundation of general business knowledge and may specialize in one of the five areas.
Admission consideration will be given to applicants with a minimum of a 3-year undergraduate degree from a recognized university. Applicants possessing an undergraduate degree in Business will be given admission consideration to an area of study in business other than the one studied within their undergraduate degree. Applicants must have at least six credits of university English and/or Communications (at a recognized English language university in an English-speaking country) prior to admission or have met Nipissing University’s English language proficiency requirements through the acceptable English language tests. The English/Communication courses and/or English language tests must have been completed within the two years prior to attending Nipissing University. Otherwise, applicants must meet Nipissing’s English Language Proficiency requirements. Specific details about Nipissing’s English Language Policy can be found on page 17 and at nipissingu.ca/englishproficiency.

Post-Baccalaureate Diploma in Business Administration
Build your general business knowledge and skills through a broad set of courses including topics on commercial law, change management and business strategy.

Post-Baccalaureate Diploma in Finance
Deepen your financial acumen through the study of topics including portfolio and wealth management, financial derivatives, and risk management.

Post-Baccalaureate Diploma in Human Resource Management
Compliment your study of business foundations with courses in recruitment, industrial relations and human resource planning.

Post-Baccalaureate Diploma in International Business
Focuses on general business in an international context with courses about international marketing, management, and finances.

Post-Baccalaureate Diploma in Marketing

Post-Baccalaureate Certificates
(1 year program)
Post-Baccalaureate Certificate in Human Resources Management
This certificate is designed for applicants who wish to pursue the HRPA-CHRP designation. Applicants will possess, at minimum, a three-year university degree for admission consideration.

Post-Baccalaureate Certificate in General Management
This certificate is designed for graduates of non-business degree programs who wish to pursue business studies. Applicants will possess a non-business undergraduate degree for admission consideration.
Hands-On Learning

Experiential learning is one of the best ways to apply skills and concepts learned in the classroom to a practical setting. At Nipissing, we offer a wide range of hands-on learning opportunities, resulting in uniquely employable graduates who are ready to lead.

Co-ops, Placements, and Internships
In many programs, experiential learning opportunities are built right into the curriculum in the form of placements, volunteer opportunities, professional internships, co-ops and practicums. Through these experiences, students develop competencies in communication, critical thinking, collaboration, problem solving and leadership that help pave the way for future success.

BBA Co-op Program
Students in the School of Business BBA Co-op Program alternate academic terms on campus with full-time work terms. Students apply theoretical knowledge from course studies in the workplace and return to the classroom with practical workplace experience. Co-op helps students determine their strengths and interests, test-drive potential careers and gain valuable experience in their discipline. Questions? Email business@nipissingu.ca to learn more.

iLEAD Business Experience Certificate & Expeditions
Students pursuing the iLEAD Business Experience Certificate have the opportunity to Learn through Experience, Action and Discovery in the form of directed studies, workplace internships, overseas studies and volunteer service to others.

Nipissing hosts an annual Undergraduate Research Conference and invites undergraduate researchers from across Ontario to participate. Learn more at nipissingu.ca/ugrc.

Nipissing offers UNDERGRADUATE RESEARCH OPPORTUNITIES
Biidaaban Community Service-Learning (BCSL)

BCSL is a unique experiential learning program that allows students to volunteer within community organizations for course credit through project-based learning or placements. Students can also support Indigenous children and youth through the Biidaaban Youth Group and Biidaaban Academic Support programs. Participants receive training from Elders, Indigenous knowledge holders, faculty, educators and community members prior to their placements.

Interprofessional Simulation Centre

The new Interprofessional Simulation Centre offers an immersive and interactive learning environment designed to replicate a variety of real-life situations, procedures, and environments. The space features four rooms with life-like manikins that can mimic a variety of healthcare and other professional situations, and are used for both emergency and procedural training to enhance competency in practice. Using immersive projection technology, two dedicated spaces can be transformed into healthcare settings such as clinics or hospitals. Additionally, these rooms can mimic any home, school, post-secondary institution or community setting, including disaster scenarios or large group gatherings. Students navigate the immersive environment using interactive touch points and 360-cameras.

Coming soon is a life-like home apartment setting that can simulate a client’s home visit and assessment. The space can be staged to represent cases, assist with training social workers and home visitors, and mimic occupational-therapy and physiotherapy visits. The space can also be used to demonstrate challenging cases in the home such as crime scenes.

Biidaaban is an Anishnaabe word meaning “the point at which the light touches the earth at the break of dawn.”
Finance Your Education

Your final grades make a big difference. Scholarship averages are calculated using your best six final 4U/4M marks (or provincial or international equivalent) completed as of June 30, 2024. All Canadian and international applicants applying directly from secondary school for September entry will be considered automatically for guaranteed entrance scholarships for Fall 2024 entry — no application needed!

The chart below outlines the 2023-2024 guaranteed entrance scholarships. Please visit nipissingu.ca/highschoolawards for the most up-to-date entrance awards information or email finaid@nipissingu.ca

Studying at Nipissing

North Bay
The City of North Bay, Ontario, is nestled between Lake Nipissing and Trout Lake and is surrounded by numerous protected natural areas, heritage forest parks and historical sites. Approximately a 3½ hour drive from Toronto or 4 hours from Ottawa, our friendly and inviting city is a popular year round destination. Offering plenty of activities, amenities and services, North Bay’s vibrancy is only exceeded by its hospitality. In addition to the activities available to you on campus, North Bay offers so much more:

- YMCA with pool
- Arenas (Memorial Gardens hosts our local OHL team, the Battalion)
- Shopping malls, local businesses
- Restaurants and bars
- Downhill ski and snowboarding hills (one in the city, and a second within a 45 min drive)
- Nordic ski clubs
- Biking paths and walking trails

Check out our community at www.northbay.ca

- Golf courses and tennis courts
- Public beaches ideal for swimming and canoeing
- Capitol Centre (features theatre performances and concerts)
- Art galleries
- North Bay Museum
- Community festivals and events
- Transportation via city bus, taxi or online ride service

“As a student from India studying human resources at Nipissing, I have found the staff and faculty to be very warm, welcoming and accommodating to my needs. Nipissing is a multicultural community and I’m proud to be a part of it.”

Required Documentation for Students Applying through the International Portal

All secondary school transcripts should be uploaded to the Nipissing University International Application portal for direct applicants at www.nipissingu.ca/apply intl. Documents not written in English must be accompanied by original notarized English translations from recognized sources. Applicants are required to declare and submit all postsecondary institutions attended or are currently attending. All postsecondary transcripts must be assessed (Credential Evaluation Report, including a Course-By-Course Analysis) by World Education Services (www.wes.org/ca).

International College or University Transfer Applicants

Applicants who have attended or are currently attending a recognized institution will be considered for admission based on their postsecondary studies. Program prerequisites must be met through previous secondary or previous/current postsecondary studies. Further information on prerequisite courses can be found in this brochure under Admission Requirements or at www.nipissingu.ca/admissionschart. Courses completed from a recognized institution may be eligible for transfer credit consideration. Transfer credits are assessed after applicants accept their offer of admission. Students possessing an undergraduate degree may be eligible for admission consideration to a second undergraduate degree program in another area of study.
