

Instructions for Completing WHMIS through Blackboard

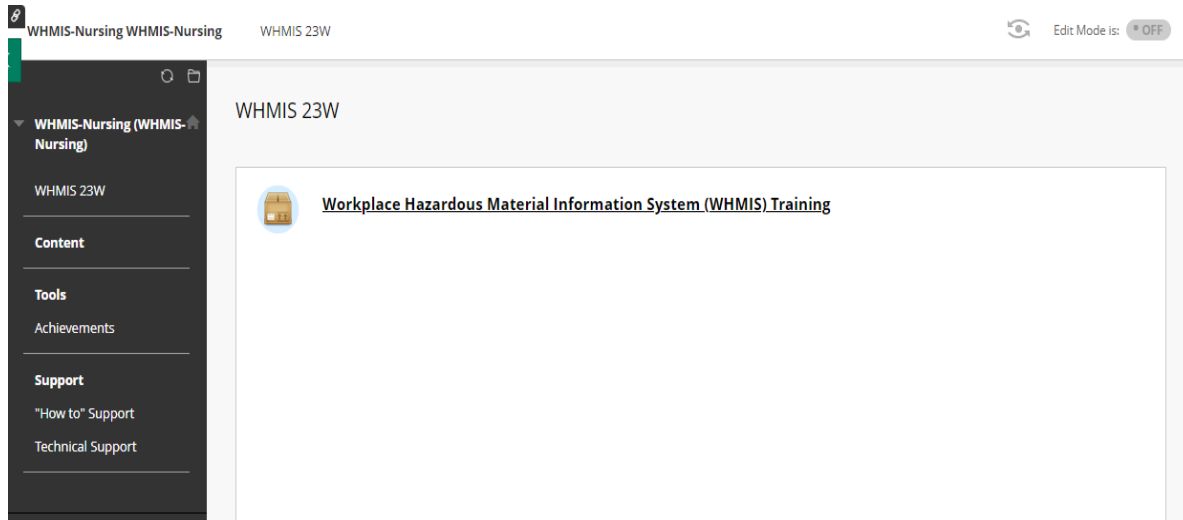

1. Log into the Nipissing University single sign-on login page, my.nipissingu.ca and select Blackboard

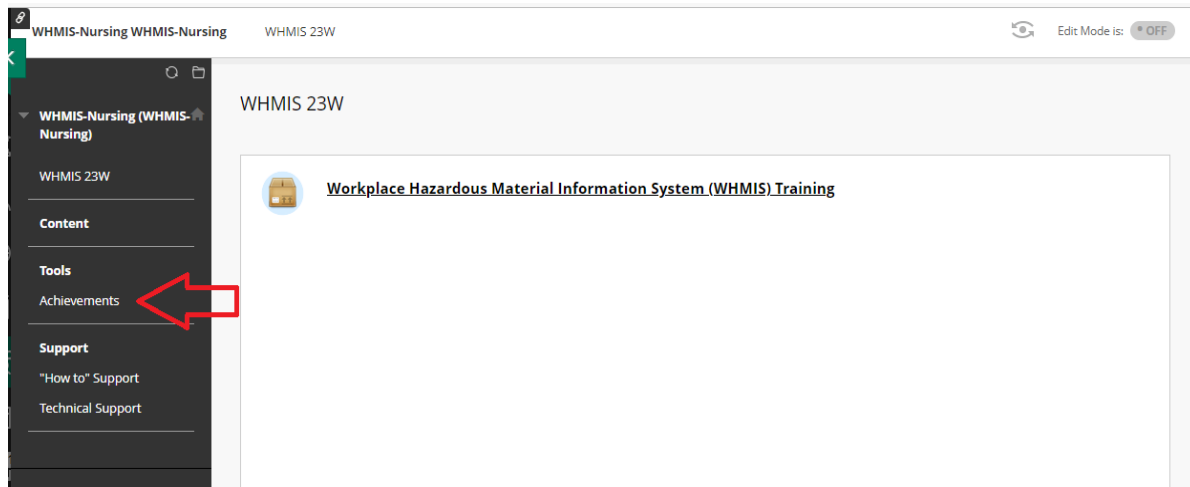

2. Once logged in to Blackboard, select the **Organization** tab on the left-hand side of the page and choose **WHMIS - Nursing** as shown in the image below.

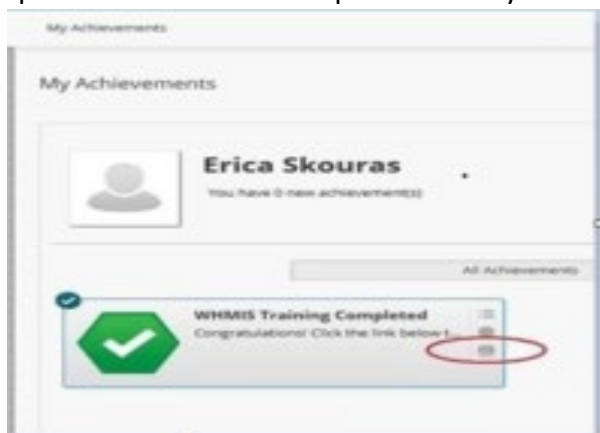

3. Launch the training by choosing 'Workplace Hazardous Material Information System (WHMIS) Training'. Go through the course and complete the final quiz.

4. Upon successful completion of the **WHMIS - Nursing** Training with a grade of 80% or higher, please close the training session to return to the main WHMIS menu and select 'Your WHMIS Certificate'.

5. Click the printer icon to view and print or save your certificate.

6. Select 'Print Certificate' and save as a .pdf for submission.
