REQUIRED SUPPLEMENTAL DOCUMENTATION: (Due January 22, 2025, at 4:30 p.m. EST)

Please submit transcripts, letters of reference, and other supporting documentation after you have submitted your online application.

1. Online application and fee. The online application can be accessed from our website: www.nipissingu.ca/applyintl. The application fee will be paid online through the application.
2. Official undergraduate and graduate transcripts from all institutions attended, including those attended on a Letter of Permission or exchange program. High School or College (diploma programs) transcripts are not required. Transcripts and other appropriate academic documents should be uploaded in the Nipissing International Admissions portal under each institution declared on your application.
3. Two (2) confidential academic recommendations from professors **OR** other appropriate professionals who can speak to the candidate's level of preparation and readiness for graduate studies. References must be from someone qualified to address the academic ability and competence of the applicant to undertake graduate studies. References cannot be completed by anyone who is personally related to the applicant. Recommendations are to be confidential; therefore, **they must be mailed in sealed envelopes with the referee's signature over the seal or emailed by the referee using their professional email address and sent directly to internationaladmiss@nipissingu.ca**. The Confidential Recommendation forms are included in this package. **Please indicate to your referee that a current comprehensive letter (written specifically for the purposes of the application to Graduate Studies at Nipissing) included with the recommendation form will be most beneficial in determining your eligibility for admission.**
4. Sample of written work. **Select Sample of Written Work under Program Specific Document Requirements when uploading your document.**
5. A **comprehensive** résumé detailing your educational and professional experience. Please include scholarships and awards, significant academic accomplishments, internships, research projects, involvement in student organizations, volunteer work, language skills, and publications and presentations. **Select Resume/CV under Program Specific Document Requirements when uploading your document.**
6. A typed Statement of Interest providing the following information:
 - Your research area(s) of interest.
 - **Which faculty member(s) you would like to complete your MRP with and include details of your current research interests within your specific research area(s). Please visit www.nipissingu.ca/graduatestudies for a list and contact information of potential Faculty Advisor.** You do not necessarily need to state a particular project, but the more specific you can be about your research interests, the better. We need to be able to see if our program has the capacity to supervise your research. You will find some useful advice here: <https://www.grad.ubc.ca/prospective-students/application-admission/statement-interest>, or contact one of our faculty members for advice.

The final admission decision will be based on the availability of an appropriate supervisor.

Select Statement of Interest under Program Specific Document Requirements when uploading your document.
