

NU HOTEL PARTNERSHIPS IN NORTH BAY

We've partnered with local hotels offering short- and long-term accommodations!

Booking Considerations

- Students are responsible for directly contacting hotels for inquiries or to book their stay
- Rates are based on single occupancy, but sharing the space is typically permitted
 - Reach out directly to inquire, as some hotels may have a small additional fee per extra student
- In-room housekeeping varies between hotels for stay duration, please ask the hotel for more details
- Have your student ID ready when booking as it may be required to confirm the preferred student rate
