

SCHOOL OF GRADUATE STUDIES
ONTARIO VISITING GRADUATE STUDENT (OVGS)
APPLICATION FORM

The Ontario Visiting Graduate Student (OVGS) allows a graduate student in good standing to take graduate courses at another Ontario university (Host University) without completing further admission processes. No tuition fees will be assessed by the host institution (incidental fees may apply).

The course(s) selected must be at the graduate level and required for the student's degree program. Courses may not be 'extra' (over and above degree requirements) or 'audit' courses for the student. If the student enrolls in a course at another university that is not required for his/her degree requirements, the student will be billed the fee of the course through their Home University. The student is subject to any regulations of his/her Home University with respect to the maximum number of courses which may be taken at another Ontario university.

Upon successful completion of the course(s), it is the student's responsibility to arrange that a transcript be sent directly to the School of Graduate Studies.
